### Directions for Total Molding Services

Coming from the North-East extension, get off at exit 44, Quakertown. Once through toll booth you come up to a traffic light. Make a left hand turn onto Route 663. Go through two traffic lights. At the third traffic light, make a right hand turn onto 309 South (there is a Wendy's on the corner). Go through one traffic light and at the second traffic light make a right onto Trumbauersville Rd. Faulkner Lot on corner). Follow Trumbauersville Rd., until you

come to a "Y" in the road, bear to your left. After approx. 1 block on your right hand side you will see "Willow Stream" housing complex. After that you will cross over a small creek with a blue house just on the other side of the creek. The next house is tan in color with a wheelchair ramp. Immediately after the tan house you are to turn left into our driveway. There are orange triangles and a street sign with addresses that mark the driveway and the building sits about 150 feet off the road. If you get to a Gulf Gas Station then you have gone too far.
